

Worldline - Login Instructions –

1. Candidate Forgot the password –

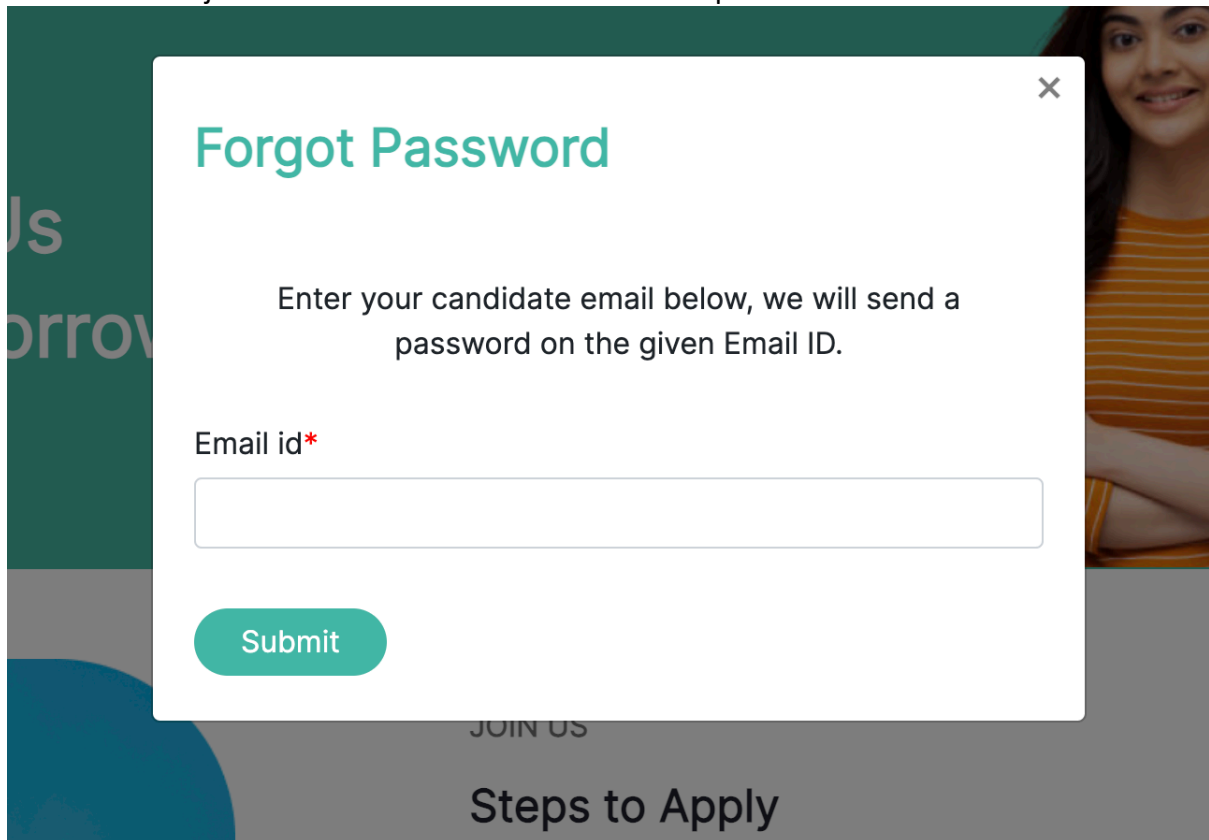

- Kindly click on <https://worldline.imocha.io/>
- Click on Login – you will get a new pop-up window to input your registered email address and respective password.

- In case you forgot your password, kindly click on Forgot password as highlighted below –

- d. Once you click on **Forgot Password**, you will be asked to input your registered email address. Once you enter the respective registered email address, you will be receiving an email in your inbox with further details to proceed ahead with the login. The subject line of the email would be – “Your password Details”.

A screenshot of a web application showing a 'Forgot Password' modal. The modal is white with a green border and a close button (X) in the top right corner. It contains the title 'Forgot Password' in green, followed by the instruction 'Enter your candidate email below, we will send a password on the given Email ID.' Below this is a text input field labeled 'Email id*' and a green 'Submit' button. The background of the page is a dark green banner with a woman's face on the right and the text 'Steps to Apply' at the bottom.

2. Candidate is unable to proceed with login and error pop's up – Please verify your email.

- Whenever you are trying to login and you see an error saying Please verify your email, you need to verify your registered email address that is received during successful registration in your email inbox.
- If you have missed doing that you will receive an email with Subject Line – “Welcome to Worldline!”
- Kindly check the same and verify the email address successfully, which will enable you to proceed ahead with the login and assessment successfully.
